

## Procedures for issuing an accreditation certificate for underwater photography company

The applicant should send the documents listed below in a One PDF file via <mailto:ss.serv@cdws.travel> for South Sinai and Cairo, and <mailto:rs.serv@cdws.travel> for the Red Sea governorate and Alexandria or via WhatsApp on the number (+201223250555) for the South Sinai and Cairo or on (+201277911288) for the Red Sea and Alexandria, considering completing all the following documents:

- A recent commercial register (less than one year)
- A tax card
- Rent contract
- A permission from the Ministry of Culture circulating the printing of audio-visual tapes valid

In case of replacing the technical manager:

The company must accredit/employ the responsible technical manager and send the required documents, as following:

- 1- Copy of passport (for foreigners) or copy of the national ID (for Egyptians) considering that the age of the applicant should not be less than 25 years old
- 2- Copy of the education certificate (at least high school certificate)
- 3- A copy of the applicant diving certificate, to ensure that the applicant level is not less than a diving guide that must be registered in the levels of the international organizations accredited by the CDWS

Documents will be reviewed, and reply will be sent within maximum two working days in the case of completing the documents with the technical manager will be communicated to determine the date of delivery of the accreditation certificate.
